Ages: Infants and up

New Brunswick, NJ (Fall 2017)

Ages: 10 and up

"I really like the Direct Primary Care program so far. I only have to worry about what I'm going through at this time, not whether the insurance company is going to pay for it, or if I have the money for the co-pay."

- Tesha, R-Health Patient

WHAT'S DIFFERENT ABOUT R-HEALTH

- 1** R-Health doctors **care for less than half** the number of patients of a traditional primary care physician. This gives our doctors the time needed to care for you.
- 2** R-Health doctors do not bill your insurance. Instead we have a **simple monthly membership that is covered 100%** as part of your NJ State Health Benefits Program (SHBP) or School Employees' Health Benefits Program (SEHBP).
- 3** **There are no co-pays or other costs.** This removes the financial barriers to great primary care.
- 4** **You will have unlimited access to your R-Health doctor.** Once you join, you'll be able to contact your personal doctor via cell phone, e-mail, text, and through our member portal.

YOUR NJ STATE OR SCHOOL HEALTH BENEFITS NOW COVERS **100%** OF AN R-HEALTH MEMBERSHIP FOR YOU AND YOUR FAMILY. THIS IS NOT A CHANGE IN YOUR INSURANCE PLAN, SIMPLY A PRIMARY CARE DOCTOR SELECTION FOR ENHANCED CARE WITH NO CO-PAYS.

*Not available to those with HMO plans or Medicare retirees.

OUTSTANDING CARE

100% of R-Health patients are happy with the care received from their doctor.

NO WAIT

93% of R-Health patients had a wait time of 10 minutes or less to see their doctor.

AFTER-HOURS ACCESS

100% of R-Health members find it easy to contact their doctor after office hours.

"I think what makes this Direct Primary Care program special is the access to the doctor when you need it and the relationship that you build that you're not afraid to ask questions."

- Mary, R-Health Patient
